## US NATIVES

Helping with outreach and discipleship training by resources, promoting other ministries, and helping with training. When Columbus came there were about 10 million Indians in the USA and 500,000 in Canada. In 1900 237,000 Natives in the USA remained after being conquered, whereas today 9,750,000 Natives are in the USA. In 1900 110,800 First Nations Indigenous People remained and today there are 1,127,010 in Canada. Thank you for helping with a God size Vision - He loved the world!

## Technology is a Tool God has provided to reach all Nations

My vision comes from Revelation 5:9 And they sung a new song, saying, Thou art worthy to take the book, and to open the seals thereof: for thou wast slain, and hast redeemed us to God by thy blood out of every kindred, and tongue, and people, and nation;

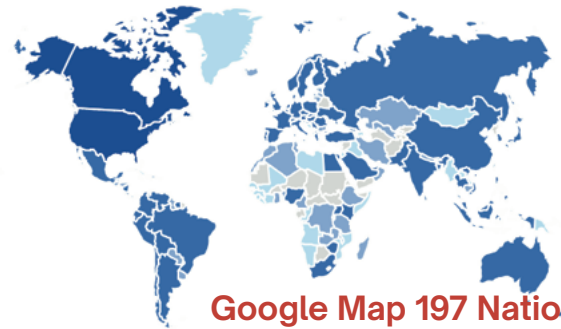

God has equipped me with a Master of Divinity Degree, 37 years of full time service as a pastor and now a minister using websites [Nativemi.org](http://Nativemi.org), [TheNativeConnect.com](http://TheNativeConnect.com) and [Threefeathersministry.com](http://Threefeathersministry.com) to help Natives, Indigenous Peoples and ministries connect with Jesus. Praying for those will believe from every Native Tribe. Will you assist me in reaching Natives for Jesus sake and helping Disciple those who believe?

**"THE HOPE" NORTHERN PLAINS**  
Fellowship of Native American Christians, in partnership with support to the Nations

To my Brothers & Sisters in Christ,

I, Gary Hawkins, the Executive Director of FoNAC, Fellowship of Native American Christians, would like to introduce "The HOPE" film, produced by School to the Nations. This film is specifically designed to speak to the hearts of the indigenous peoples of North America and shares the Biblical account of creation, followed by some very significant events throughout the Bible leading up to the resurrection.
